-against-

XCOAL ENERGY AND RESOURCES
and XCOAL ENERGY AND
RESOURCES, LLC,

Defendants.

20-cv-2927 (JSR)

ORDER

JED S. RAKOFF, U.S.D.J.

The above-captioned case was filed on April 9, 2020, and assigned to the undersigned. In addition to the complaint, the plaintiff submits papers in support of a proposed ex parte attachment. The proposed attachment is far too broad, and arguably might violate Shipping Corp. of India v. Jaldhi Overseas Pte Ltd., 585 F.3d 58 (2d Cir. 2009). Accordingly, in its current form the ex parte attachment motion is denied.

SO ORDERED.
